

WorkForce Enterprise

AM-C6000

With the smallest footprint in its class, this more sustainable MFP offers the perfect solution for all your business printing needs.

The WorkForce Enterprise AM-C6000 combines fast performance with low energy consumption. Made with the modern office in mind, the small footprint and modular design allow you to build your device to your exact requirements. And as if that wasn't enough, the innovative technology makes installation and maintenance easy and stress free.

Reliable and improved sustainability

With a simpler, shorter paper path, paper jams can be removed more easily, and the finisher connectivity is improved. This means that service downtimes can be reduced. Through fewer consumables and supplies, it also produces less waste. With low power consumption, the overall environmental impact of printing is cut dramatically.

Efficient maintenance

Fewer replacement parts keep user intervention to a minimum, making day-to-day maintenance fast and efficient.

Heat-Free Technology

Epson Heat-Free Precision Core Technology requires no heat to warm up when it is switched on or awoken from sleep, which significantly reduces energy consumption. This allows Epson's Heat-Free inkjets to deliver an exceptional fast FPOT compared to laser technology.

Advanced software solution compatibility

A variety of software solutions can be integrated into existing IT infrastructure to improve efficiency. This includes Epson Remote Services (ERS), which offers cloud-based device monitoring and management system that delivers advanced remote diagnostics for Epson business products.

DATASHEET / BROCHURE

KEY FEATURES

- **High reliability**
Simple mechanism for environments where downtime is not an option
- **More sustainable**
Up to 85% less power consumption
- **Small footprint**
Up to 20% less footprint than laser
- **Reduced downtime**
Simpler, shorter paper path for easier paper jam removal
- **Solution compatibility**
A wide variety of integrated software solutions

LOGISTICS INFORMATION

SKU	C11CJ91402SA
EAN code	8715946707242
Country of Origin	Indonesia

WorkForce Enterprise AM-C6000

WHAT'S IN THE BOX

- Information sheet
- Power cable
- User guide
- Initialization Ink Supply Units

INK YIELD DATA

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

SUPPLIES

- Maintenance Box (AM-C4000/5000/6000)
(C12C937181)
- WorkForce Enterprise AM-C5000/6000 Black Ink
(C13T08G100)
- WorkForce Enterprise AM-C5000/6000 Cyan Ink
(C13T08G200)
- WorkForce Enterprise AM-C5000/6000 Magenta Ink
(C13T08G300)
- WorkForce Enterprise AM-C5000/6000 Yellow Ink
(C13T08G400)

OPTIONAL ACCESSORIES

- Authentication Device Table-P1
C12C937381
- EpsonNet 10/100/1000Base Tx Int
C12C934471
- Expansion Board-P1 (OCR unit)
C12C936801
- HDD-P1
C12C936791
- Super G3/G3 Fax Board
C12C934491
- Wireless LAN Interface-P1 (2.4GHz)
C12C937011
